Medical Doctor (MD) (1 position)

Position: Medical Doctor (MD)

Reports to: DVC Finance and Administration

Location: Al-Hajri Dispensary, Chukwani Campus – Zanzibar - Main Campus Chukwani (Zanzibar)

Purpose of the Role

The Medical Doctor (MD) will provide high-quality medical care to students, staff, and the surrounding community. The role involves diagnosing, treating, and preventing illnesses while promoting health education and wellness initiatives within the University.

1. Major functions:

Under the directives of the healthcare regulations, the Medical Doctor's responsibilities will be as follows:

Key Duties and Responsibilities

- Conduct patient consultations, physical examinations, and diagnostic assessments.
- Diagnose and treat acute and chronic illnesses.
- Prescribe medications and therapies in accordance with medical guidelines.
- Provide preventive care, including vaccinations and health screenings.

- Maintain accurate and confidential patient medical records.
- Collaborate with nurses, pharmacists, and other healthcare professionals.
- Respond to medical emergencies and provide first aid when necessary.
- Participate in health awareness campaigns and educational programs.
- Ensure compliance with medical ethics and regulatory standards.

2. Qualifications and Requirements

- Doctor of Medicine (MD) degree from a recognized institution.
- Valid medical license to practice in Zanzibar/Tanzania.
- Minimum of 3 years of clinical experience (new graduates may also be considered).
- Strong diagnostic and problem-solving skills.
- Excellent communication and interpersonal skills.
- Commitment to professional ethics, confidentiality, and patient-centered care.

3. Working Conditions

- Based at Al-Hajri Dispensary, Abdulrahman Al-Sumait University (SUMAIT).
- Standard working hours with flexibility for emergencies.
- Interaction with diverse patient populations including students, staff, and community members.

4. Benefits

- Competitive salary and allowances.
- Health insurance and retirement plan.
- Opportunities for professional development and specialization.
- Supportive academic and healthcare environment.

Mode of Application

Applicants should submit their applications supported by detailed Curriculum Vitae (CV.), certified copies of their certificates, names and addresses of three non-relative referees who can be contacted for reference.

GENERAL CONDITIONS

1. Applicants should apply to the strength of the information given in this advertisement.
2. Certificates from foreign Universities should be verified by the Tanzania Commission for Universities (TCU), otherwise, your request will not be considered.
3. Presentation of forged certificates and other information will necessitate legal actions.
4. Only shortlisted candidates will be called for interview.
